

Protus Among the Branham300 List of Canada's Top Technology Companies for the 6th Consecutive Year

Ottawa (April 1, 2010) - [Protus](#) announced today that it was named to the 2010 Branham300, a list of Canada's leading technology companies, for the sixth consecutive year. The company moved up 20 spots from last year, demonstrating that the business communications technology provider continues to hold a strong ranking at 56 among the top 250 businesses meeting Branham Group's criteria. Protus was also recognized as a Top Ten application service provider, and among the Top 20 "Movers and Shakers" within Canada's competitive technology industry.

Protus provides the highest quality online communications tools for small-to-medium-businesses and corporate organizations, including award-winning [MyFax](#), the fastest growing [Internet fax service](#); [my1voice](#), the cost-effective, feature-rich [virtual phone service](#) for business that travels with the user from phone to web; and [Campaigner](#), the [email marketing service](#) that is easy-to-use, affordable and provides 24x7 step-by-step coaching tips and tools. Protus' commitment to delivering a superior user experience has resulted in a continually growing and loyal customer base.

"Recognition from the Branham Group is an outstanding honor within a record year," said Joseph Nour, CEO of Protus. "In 2009, we reached the 400,000 subscriber milestone, and will continue to provide cost-effective tools for small businesses coupled with unparalleled customer service. We are grateful for this recognition, and committed to earning our place as an industry leader." In 2009, Protus also completed the integration of its newest offering Campaigner, invested millions in a new, dedicated data center as well as product development, customer support improvements and product enhancements.

The Branham300 - the most comprehensive listing of publicly traded and privately held IT companies in Canada - is published annually. The latest edition is available online at www.branham300.com and in the April/May issue of [Backbone Magazine](#).
